

Our Customers Speak About Sterling's Commitment to Service

"The customer service has been great. You can reach someone any time of day. Sterling's combination of cost savings and very quick and complete customer service make them a great fit for our company."

- Vincent B., Boston, MA

"I'd like to compliment Sterling for your exceptional customer service. Your team is amicable, professional, knowledgeable and to the point. Very impressive - Sterling is a breath of fresh air."

- Bill K., St. Louis, MO

"Sterling is fantastic at providing us with support. Thank you so much for your assistance and quick responses! We really appreciate it."

- Stephanie K., Franklin TN

"I want to extend my gratitude to Sterling's merchant support team because they have and continue to provide me with A+ customer service. They always follow up with a phone call or e-mail me on any issues that arise in a very professional and quick manner, and always, and I mean always, find a solution for any problems within 24 hours."

- Enrique S., Miami, FL

"Sterling's merchant statements are very clear and everyone I've talked to there is straightforward. Sterling's level of service is very impressive."

- Don K., Las Vegas, NV

"Every time I have called the help desk I have experienced helpful folks who bend over backwards to get me through the problem and for that I am extremely grateful."

- Khale D., Rome, NY

"We appreciate the service our business receives from Sterling Payment Technologies. No other processor we have worked with is as nice and helpful as the people at Sterling."

- Charles M., Houston, TX
